

Project Title:

**FORMSAT**

Project Contractor:

**CNIT**

Funded by:

**Italian Education and Research Ministry (MIUR)**

Objectives:

**Improve the CNIT academic learning satellite system on Italian Objective 1 Regions**

Schedule:

**28 months project (Feb. 2003 – June. 2005)**

Funds:

**435 K€**

Scientific Coordinator:

**Dr. Luca S. Ronga**

The project is directed to the acquisition of a set of transmitting satellite stations to be located in various CNIT Sites (Universities and National Laboratories). The acquired system integrates the existing national CNIT satellite network allowing a deep interaction between the Italian Universities, promoting the exchange of knowledge through seminars, real-time interactive lessons and shared laboratory experiences.

The satellite terminals are located on 12 CNIT sites:

**Seconda Università di Napoli  
Università di Napoli Federico II  
LABNET  
Università degli Studi di Salerno  
CNR IMAA - Potenza  
Università di Palermo  
Università di Catania  
Università Mediterranea  
Arcavacata (Università della Calabria)  
Università di Lecce  
Politecnico di Bari  
Università di Cagliari**

**Napoli  
Napoli  
Napoli  
Salerno  
Potenza  
Palermo  
Catania  
Reggio Calabria  
Cosenza  
Lecce  
Bari  
Cagliari**
